Principal's Message

I have worked passionately as an educationist to serve this community for over two decades. Along the way, I have learned some important secrets of a meaningful life. Therefore, in this year's message, I would like to talk about a few character traits which I wish to see in my students.

First and foremost, humility is a very important quality to possess. A humble mind understands that we are all equal humans with aspirations and dreams. One must understand the need to respect other people regardless of their level of privilege or social status. Humility has been called the mother of all virtues, hence it is imperative to be humble because nothing, neither praise nor disgrace will touch you. If you are blamed do not be discouraged; and if you are called a saint do not put yourself on a pedestal.

Next, you should be honest. Honesty is when you speak the truth and act truthfully. Honesty helps you to make choices which are for the greater benefit beyond self-interest. It builds trust, improves relationships, develops societies and enables you to live a prosperous life. Honest citizens are the pillars of a nation.

With honesty, you should also exhibit integrity in daily matters. Try to keep your promises and do not break the trust someone has invested in you because faith is sacred. It is important to have moral principles, as they become the prism through which the light of life reflects.

If we all work together to become our better selves, we would eventually understand that you, me and everyone else are droplets in the ocean of humanity. We are all connected in a way in which the well-being of one, will affect the other and if someone loses, we will all lose something in the end.

I wish all my students the best of luck for the upcoming year and hope that wonders come their way.

Bushra Malik

Senior Vice Principal's Message

ہمارا سالانہ رسالہ سنگ میل کے لئے پیغام قلم بند کرنا میرے لئے باعث فخر ہے۔

میں یہ ضرور کہوں گی کہ یہ ایک ایسا پلیٹ فارم ہے جو طلبہ کو اپنی تخلیقی سرگرمیوں کے اظہار کا بہترین موقع فراہم کرتا ہے۔ اس رسالے کا مقصد طلبہ کی تخلیقی صلاحیتوں، آزادی اظہارِ رائے اور ادبی قابلیت کو اُبھارنا ہے۔ یہ ہمارے عزیز طلبہ کی سال بھر کی کاوش کا مجموعہ ہوتا ہے۔

ہم ہمیشہ منفرد ہونے اور چیزوں کو بہترین طریقے سے کرنے پہ یقین رکھتے ہیں۔ طلبہ میں پوشیدہ اوصاف سے انہیں روشناس کروانا اور ان کی کردار سازی کرنا کوئی آسان کام نہیں۔ میں سمجھتی ہوں کہ ہمیں طلبہ کو تاحیات سیکھنے، بہترین سوچ رکھنے اور مسائل کا حل تلاش کرنے کے قابل بنانا چاہیے۔

نیز طلبہ کو مثبت سرگرمیوں میں حصہ لینے کی ترغیب دینا، عالمی مسائل کے بارے میں بیداری اور ماحولیات کے لئے فعال کردار ادا کرنے کی ضرورت ہے اور جس کے ضمن میں ہم ہر لمحہ طلبہ کے لیے مددگار کے طور پہ موجود ہیں۔

آخر میں کہنا چاہوں گی کہ دوسروں کے نظریات کو برداشت کرنا، رواداری اور درگزر مثبت پاکستان کے لئے لازم و ملزوم ہیں۔ تعمیری سوچ اور تبدیلی کا سفر از حد ضروری ہے۔ زندگی میں جو لوگ خود کو بدلتے رہنے کے عمل سے نہیں گزرتے ان کا سفر ایک جگہ رُک جاتا ہے۔

ٹھہرے پانیوں کے تعفن کی بجائے خود میں بہتے پانیوں سی روانیت، اور شفافیت پیدا کریں تاکہ پاکستان کی تعمیر و ترقی اور کامیابی کا یہ سفر ہمیشہ جاری رہے۔

Senior School Vice Principal's Message

Welcome to the first digital edition of the Learning Alliance's Annual Magazine-Milestone. The new generation has found alternative ways to express themselves and a digital magazine is a culmination of their creative thought in writing and arts.

Despite the hybrid beginning of the academic year and its related challenges, I am proud to say that we were able to carry out an action packed year. The Annual Play for Senior School was a testament to the passion that we as a school and our students share for the co-curricular programmes. Sports weeks during the year exposed the students to a variety of sports and gave them a chance to prove their merit out of class. The bonding between house members was especially endearing.

Our students have also done us proud with their academic achievements. The 2021 CAIE result this year was nothing short of exemplary, with 90% A* s and As, we could not be more ecstatic for what the future holds for these students. We wish them all the best for their upcoming CAIEs! Very soon the Class of 2022 will join our alumni group but we hope they remain connected to the school community.

One of the key achievements this year has been the revamping of the Senior School block. With the new cafeteria in place, the students have a wonderful place to convene during break. Not only the students, but the staff is also excited about this recent addition.

We hope that this magazine provides the opportunity for parents, who have children studying in various year groups, to have insight into the full range of activities and events across the school from Year 1 to Year 11. Herein lies not only featured articles by our budding Urdu and English writers, but also an interesting amalgamation of all that we have done over the past one year in the field of sports, arts, drama and music. I hope you will enjoy this stroll through the vibrant year we had here at Learning Alliance Aziz Avenue.

Maira Afzal Nadir

Junior School Vice Principal's Message

The last two years, under the pressure of COVID-19 pandemic, have thoroughly tested our students' resilience and their motivation to continue their studies uninterrupted. Our students accepted the challenge to further learn computer skills in order to attend classes online. The teaching staff in turn responded by catering to the needs of all the students and ensuring that the educational objectives are met during the pandemic.

I would like to take this opportunity to thank the entire parent body for the unwavering support they have extended throughout these testing times. I cannot thank my team enough for their untiring efforts and determination shown towards our students during this tough time.

Once again life has resumed in full swing and the campus is reverberating with a buzz of activities like Bake Sale, Science Fair, Public Speaking, Dramatics and sports competitions. Everyone is back, rejuvenated and eager to begin with renewed enthusiasm. Let us pray that the difficult times are over and we continue our regular school life with the usual zest and vigour once again!

Head Boy's Message

My fellow students,

Another year has elapsed before our eyes. This year as the head boy of Learning Alliance was nothing short of special. What we as students have accomplished this year has been nothing short of spectacular. The number of events our school has participated in are uncountable. But these events are now a part of our past. Now it is time to reflect upon what we as students have done throughout the academic year and strive to improve on our skills and focus on our weaknesses. In order for an individual to succeed in what they desire, one has to work towards it. An old saying states, 'Do or do not there is no try.' This means that one must not only try something but execute it which will make an individual more ambitious. After all the struggle and bumps on the way, my 13 year chapter at Learning Alliance comes to an end. My fellow students, rise above yourself and make our school name be heard. I bid farewell to you all.

Rayyan Moin

Head Girl's Message

Dear all,

Finally the time has come. The moment I bid farewell to you all and step into the real world. It has indeed been an experience of a lifetime to study here at Learning Alliance. These past eleven years have provided me with much more than I could have ever asked for.

Considering the fact that I had never even imagined writing a farewell message as a head girl, I have absolutely no idea how to express my sentiments here in this message. I wish I could insert some emojis here describing the emotions I feel while writing this heartfelt note. All these years especially the last one has indeed been one hell of a roller coaster ride. It was definitely not in a breeze to prepare for the final O level exams alongside creating memories with my fellow peers but this was the time I will cherish the most. Each day, I have felt a mix of emotions, starting with an overwhelming sense of deep sadness, but ending with acknowledgement and hope.

I would like to take the opportunity and express my gratitude towards all the teachers and staff of this school who have always been there since the first day. Those who have helped me in becoming what I am today. In addition to this, I would like to praise the dedicated team of Learning Alliance who put in all the efforts over the years to make this experience a unique one. To all my fellow learners, you all made this school life a lot better and never failed to put a smile on my face by the end of the day.

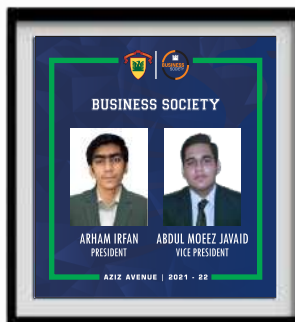

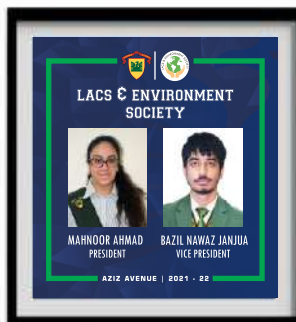

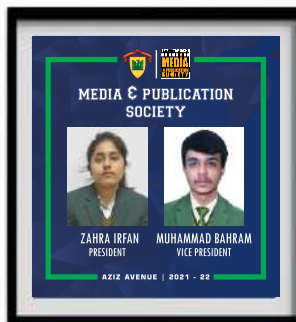

It is no less than a bitter truth to perceive that we all have to leave our childhood memories behind one day and step into the world where we have to create our own path. "Life doesn't get easier, we get stronger." The fact that I might not see most of you again causes me great sadness. Make the most of it while it lasts. I wish you all the best!

Bakhtawar Khurram

STUDENT COUNCIL

2021 - 2022

Class OIII

(Sitting L-R): Rayyan Moin, M. Adil Inam Butt, Mahnoor Ahmad, Ayra Kashif Qadri, Abeer Qasim, Bakhtawar Khurram, Zahra Irfan, Tania Usman, Rawasia Sajid, M. Arham Irfan

(Standing L-R): Ryaan Hussain Mirza, Syed Rayyan Hasan, Momin Wasif Allah Ditta, Momin Kashif Shakoor, M. Rahib Khan, Muhammad Hamza, Qasim Rehman Khan, M. Sodagir Ali Imran, Abdul Muhaymin Ans

Class OII

(Sitting L-R): Abdul Moezz Javaid, Muhammad Shahmeer Khan, Ayesha Zeeshan Chaudary, Aleezeh Zainab, Aleena Asad, Wai Ur Rehman, Hussain Ahmed Khan

Life @ Aziz Avenue

GLOBAL EDUCATION CASE ANALYSIS

To inculcate research, evaluation, collaboration and presentational skills, Learning Alliance Aziz Avenue Senior School students organized a Global Perspective Presentations Competition with the theme Global Education on Wednesday, 9th February 2022.

INTER CAMPUS PARLIAMENTARY DEBATE TOURNAMENT 2022

Debate is a valuable activity for students at all skill levels, in more ways than one. Extraordinary skills in this field of public speaking were seen during the Inter-Campus Parliamentary Debates held on Saturday, the 29th of January. Teams from all three campuses were present at the Aziz Avenue campus, where the event was held.

OIII GOOD LUCK PARTY

March, 4th 2022 was a special evening planned at Aziz Avenue to wish best of luck to the OIII - Class of 2022. Students and the staff both were brimming with emotions as our senior most class was moving towards a new chapter in their life and would be leaving school soon.

VISIT TO NCA ANNUAL THESIS DISPLAY

The degree show at the National College of Arts (NCA) presented an enthralling opportunity to our OIII students to explore complex aspects of Art and multiple mediums of expressions through the Annual Thesis Display.

Our students, accompanied by the Art teacher, Ms. Uzma Hassan, keenly observed the artworks on display and got inspired by the multifaceted streak of immensely talented students.

MAKERS' FAIR 2022 & ART EXHIBITION

Learning Alliance Aziz Avenue branch hosted its first ever Maker's Fair on Friday, 15th and Saturday, 16th of April 2022. The event showcased Innovative projects designed by students of grade VI, VII, VIII and OI in the STEAM program.

Art Exhibition at Aziz Avenue was a creative and exploratory affair. The students presented their artwork based on different themes. Art of different civilizations was expressed and different mediums were explored by the students.

INTERNATIONAL DAYS CELEBRATED AT AZIZ AVENUE

Various international days are celebrated throughout the year to build social awareness among the students.

Anti-bullying, cultural day, and tourism day were enjoyed the most this year.

INTER HOUSE SPORTS FEST

BAKE SALE

Bake Sales are a mainstay at Aziz Avenue; they are held every year for charitable purposes and are one of the highlights of the year. This year as well students actively took part in this activity whilst enjoying the delicious goodies on display, the gentle rays of sunshine and cheerful music added to the happening ambience of the event. It is also a learning process where students realise that they should try to help others who are suffering and are underprivileged.

WILD WEST FIESTA

Wild West Fiesta was held at the campus to celebrate the beginning of the new term. The festive affair was full of youthful and spirited enthusiasm of the attendees who did not let the icy cold winds and impending rain dampen their energy. Various games were arranged for the students to test their abilities and competitive streak. The students did justice to the piping hot burgers and fries which were being prepared fresh on campus. Many students dressed up according to the theme and Cowboys and Outlaws were seen in abundance chasing each other.

FUTSAL

2nd Futsal Challenge Cup 2022 was held in February to test the sporting ability of our students. Different schools from all over the city took part in the tournament. A Sports frenzy took over the whole school as the hometeam not only made it to the finals but also succeeded in winning the cup and making Learning Alliance proud.

PRESENTATIONS

The end of the term is always an exciting time; it not only requires academic excellence, but also tests the students on their artistic and expressive talents. Presentations were held across the School exploring themes of literature, poetry, fantasy and fables etc.

Grade VI-OI

Fantasia, the Annual Play by the Performing Arts Society, was splendidly performed to a full house. The audience greatly appreciated the effort and hard work put into materializing the play. We are proud of our middle school students for playing the lead roles with dexterity and are equally thankful to O-Level students for sparing time out of their busy schedules to mentor the younger students.

Grade V

Grade IV

Grade III

INTERNATIONAL CHEF'S DAY

Food has always been a vital part of an individual's life, and we find people appreciating a variety of cuisines from all over the world. Taste of spices from biryani to Italian pastas show a wide range of taste palates needing to be appeased. All these delicious meals, are owed to the mothers in the kitchen and chefs working away hard in restaurants all day long. On 20th October we celebrate all the connoisseurs for their effort in preparing scrumptious meals. We celebrated International Chef's Day where the students were informed and made aware of the importance of eating healthy food. Students interviewed Chef Yaadish who works at a renowned restaurant, 'Chop Chop Wok'. Chef Yaadish cooked Cantonese Egg Noodles and impressed our students with his refined culinary skills. Our students were thrilled to see how the chef transformed raw ingredients into a mouthwatering delightful dish. Children were delighted to eat incredibly rich and flavoursome noodles and immensely enjoyed the overall experience.

EMERGING ARTISTS

Our student Yahya Durrani of Class V took part in the 1st International Emerging Artists Challenge and got the First Prize. Tribute to Yahya for making us proud.

SCIENCEHOLICS FAIR

Students of Class III – V participated with great fervor in the Scienceholics Fair. The budding scientists proudly presented their projects and explained their experiments to the filled with admiration parents. Science fairs are a way for students to demonstrate motivation, self-learning, critical thinking and other important skills and traits.

SCHOOL TRIPS - JUNIOR SCHOOL

The School arranged many adventurous trips around the city for the students accompanied by their teachers. Class I & II explored wildlife at the Lahore Zoo, Class III & IV were enthralled by the art of puppetry at the Peeru's Café and Class V discovered our rich history at the Lahore Museum.
