PRINCIPAL'S *Message*

Our commitment to academic excellence, character development, and holistic education remains unwavering. We create an environment that nurtures curiosity, critical thinking, and prepares our students for the challenges and opportunities that lie beyond the classroom.

In the spirit of collaboration, let us continue to inspire and support one another. Our collective efforts contribute to the path of learning, where each student can discover their unique strengths and passions.

I encourage you to actively engage in the diverse array of educational and extracurricular activities offered at school.

Whether it be in academics, sports, arts, or community service, there is a wealth of opportunities for personal growth and enrichment.

As we navigate ahead, let us uphold the values that define our school community – respect, integrity, and a commitment to lifelong learning.

Integrity and respect are the cornerstones of character. They guide our actions and interactions, shaping who we are and how we're perceived. Upholding integrity means staying true to your values, even when faced with challenges. Respect means treating others with kindness, empathy, and consideration, regardless of differences. Let's strive to cultivate these virtues in ourselves and inspire them in others, creating a community built on trust and understanding.

By the grace of God, may we ensure that our school remains a beacon of excellence, preparing students not only for academic success but also for a purposeful and meaningful life. I look forward to a future of shared achievements, memorable experiences, and the continued success of each and every member of our school family.

Bushra Malik
Principal

Senior Vice PRINCIPAL'S *Message*

With immense pride and contentment, I extend a warm welcome to all of you through the colorful pages of our school magazine. As we traverse through the journey of the academic year gone by, we are enveloped in a canopy of achievements, aspirations, hopes, and beautiful memories. The school family and community have been relentless in their pursuit of resilience, adaptability, and perseverance in the face of adversity. To our students, your zeal and zest for learning, your quest for knowledge and your inquisitive and eager attitude towards exploring new avenues have been the driving agents of our achievements in academia and in the extra-curricular activities.

Regards,
Saima Rahman
Vice Principal

Senior School

Vice PRINCIPAL'S *Message*

Congratulations to the students, teaching faculty, and administrative staff of Learning Alliance Aziz Avenue on completing yet another excellent year. The academic prowess of our students has always been our defining feature and our brilliant O-Level results are a testament to that hallmark.

Our commitment to enhancing the student experience has led us to focus on classroom quality and providing learning opportunities beyond the school to shape young boys and girls who are ready to take on the world. Our students have successfully juggled academics alongside co-curricular activities. They have shown their ability to be all-rounders, whether it is on the field or the stage, and they have displayed many talents during this year. Through multiple societies, senior school students availed the opportunity to conduct activities and events. From LA Melange to Debating Society Pakistan Regionals, the Aziz Avenue Senior campus has been buzzing with vibrant spirit this past year.

We have a close-knit school community in which students from junior school to O'Level study on the same campus. This shared journey helps to develop a strong sense of school identity, camaraderie, and cohesiveness and I am sure this will be palpable as you flip through the pages of the yearbook and magazine.

As we bid farewell to the school year, remember that the summer holidays are not just a break from schoolwork, but a valuable opportunity for personal growth and enrichment. Seize the moment, embrace new experiences, and make this summer one to remember. Read voraciously, nurture a hobby and connect with the world around you. Wishing you all a safe, happy, and fulfilling summer break.

Maira Afzal Nadir

Vice Principal
Senior School

Junior School

Vice PRINCIPAL'S *Message*

As the academic year draws to a close, it is with pride, and appreciation that I am writing to you. This end is not merely a date on the calendar but a result of shared dedication, tenacity, and pursuit of perfection. Looking back on the past year, a year of challenges, achievements, growth, and success, I am reminded of the core importance of well-rounded education. Education is more than just a good grade; it is a journey. While academic achievement is undoubtedly crucial, our commitment extends far beyond mere grades. It encompasses nurturing the holistic development of each student, equipping them with the skills, knowledge, and values necessary to thrive in an ever-evolving world. Our goal is to awaken intellectual curiosity and creative spark, foster and developing integrity as well as social responsibility. It is empowering students to be compassionate leaders who can benefit society. Together, we have created a vibrant tapestry of learning, growth, and achievement, and I am confident that the best is yet to come.

Message from **Afshan Mirza**

**Head of
Student Wellbeing Department**

Dear Students,

I am delighted to address you in this year's school magazine. Our focus on student wellbeing is not just about addressing immediate needs, but also about equipping you with the skills and mindset to navigate life's challenges effectively. One of the most profound insights we can share with you is the incredible power of focus. At any given moment, each of us experiences a mix of positives and negatives in our lives. This balance is a natural part of the human experience, and while we may not always have control over these circumstances, we do have control over our response to them. This is where the power of focus comes into play. By consciously choosing to focus on the positive aspects of our lives, we can significantly influence our reality and overall well-being. Focus is more than just a mental exercise; it is a tool that shapes our perceptions and experiences. What we choose to concentrate on expands and becomes more prominent in our lives. By consciously directing your focus toward the positives and engaging in activities that build concentration, you are setting the foundation for a happier and more successful life. Let us all commit to making mindful choices that enhance our focus and well-being. Together, we can create a school environment where positivity thrives, and each one of you can achieve your full potential.

Warm regards,
Afshan Mirza

Message from
SHAZIA UMAR
School Psychologist

Dear Students,

It is all about respecting others in spite of their differences and creating a focal point which highlights not the differences but the similarities in an individual or group. This involves empathy and being able to not necessarily agree but be able to understand the perspective of others to build social harmony. Let's make a peaceful and harmonious school environment together.

Warm regards,
Shazia Umar

Message from
AIZA KAMRAN
School Psychologist

Dear Students, Faculty, and Parents,
As the school psychologist, I am privileged to witness firsthand the incredible potential within each of you. One of the most powerful tools we possess is the ability to cultivate positivity in our daily lives. Positivity is not just a fleeting emotion; it is a mindset that can profoundly impact our overall well-being and success.

In our school community, fostering positivity is a collective effort. It begins with simple acts of kindness and empathy, whether it's offering a helping hand to a struggling classmate or sharing words of encouragement with a friend. By creating a supportive and inclusive environment, we empower each other to thrive. Moreover, practicing gratitude is a powerful way to cultivate positivity. Taking time each day to reflect on the things we are thankful for can shift our focus from what's lacking to what we have, fostering a greater sense of contentment and joy.

As we embark on this journey together, let us remember that positivity is not just a destination but a continuous practice. Let's embrace each day with a hopeful heart and a resilient spirit, knowing that together, we can create a brighter, more compassionate world.

With warm regards,
Aiza Kamran

Message from
Saima Suleman
School Psychologist

Dear students,

As a psychologist, I cannot stress enough the importance of setting goals and targets for yourselves. Goals give you a clear direction and purpose, helping you stay focused and motivated. They allow you to measure your progress and celebrate your achievements, no matter how small they are. Setting targets also builds resilience and problem-solving skills, as you learn to overcome obstacles along the way. Most importantly, having goals helps you to grow personally and academically, paving the way for a successful and fulfilling life. Remember, every big achievement starts with a small, well-defined goal. Set goals to turn your dreams into reality and unlock your true potential.

Warm regards,
Saima Suleman

About SWD

Throughout the year, our Student Wellbeing Department has actively engaged in numerous workshops catering to both students and teachers alike. These workshops have been thoughtfully designed to address various aspects of mental health, stress management, and overall well-being. By fostering open dialogue and providing valuable resources, we've strived to create a supportive environment conducive to personal growth and academic success. From mindfulness sessions to self-care practices, these initiatives aim to empower our school community with the tools necessary for resilience and flourishing. Together, let's continue nurturing a culture where well-being is prioritized and celebrated.

Head Boy's *Message*

Well, to be frank this phase of life I am in was something I would have never anticipated. Writing a farewell to the school which saw me falling down on the ground and getting up stronger each time; the same school which served as a parent body mentoring me and training me to reach the highest peaks of life in this diverse world of emotions.

Spending 14 years in the same school building, working hard and developing cheerful relations with each and everyone throughout my journey and now finally standing as the head student of the school still gives me chills on how ungrateful we are to life. Our batch of few yet talented students with their supportive and inquisitive nature; allowed us to form a bond which otherwise wouldn't be possible.

The moments I have shared with my friends in this building remain printed in my memory; from notoriously doing pranks in class to forming a student council of mature members and hosting 2 public events is something I would never forget. The quarrels and debates we had with each other on small issues and then hugging each other after 5 minutes developed a sense of love between us and strengthened our bond.

As I move forward to start a new chapter in life; I hope the best future for my school, I wish that all students who are yet to come into this phase of life keep their ambitions high and keep working hard to achieve their goals. Listen to your teachers and obey their commands for they are your mentors and source of success in life.

Signing off

Muhammad Ali

Head Girl's *Message*

As I reflect on my journey of the past 12 years, I am filled with an overwhelming sense of gratitude and nostalgia. Our school, once a small building, has evolved into a vibrant community that I am proud to call my second home. Throughout my time here, our school has witnessed every aspect of my growth – from my lowest moments to my greatest triumphs. It's incredible to witness the journey from being a little kid with big dreams to standing proudly as the head student, a moment my 10-year-old self would have cherished. In this pursuit, I have been fortunate to have the unwavering support of our dedicated teachers, who have not only imparted knowledge but also shaped my character and instilled in me values that will guide me for a lifetime.

To be honest, from the moment I stepped foot into these halls, I knew that I was part of something special. Our small batch may seem unconventional to some, but to me, it has always felt like a tightly-knit family. Together we have weathered the storms of childhood, celebrated each other's victories, and grown into the best versions of ourselves. And while the previous year's held their own joy, this one stands out as truly special. Hosting two large-scale events brought us closer together, and I'll forever cherish the moments we spent sitting in a circle, arguing, laughing, and sharing jokes.

As I prepare to embark on a new chapter of my life, I am filled with hope and optimism for the future of our school. I yearn to see it continue to flourish and evolve, nurturing the potential of every student who walks through its doors. My only wish is that every student's experience here mirrors mine – one filled with growth, friendship, and endless opportunities for self-discovery.

In bidding farewell, I carry with me cherished memories and invaluable lessons that I will forever hold dear. To my fellow students, I urge you to embrace every moment, seize every opportunity, and cherish the bonds that make our school truly special.

With gratitude and fondness,

Rania Shahzad
