PRINCIPAL'S MESSAGE

To my students who continue to teach me,

Thank you for being an integral part of my journey. As we step into another year of learning together, I want to take a moment not only to celebrate our achievements but to reflect on the kind of individuals we are becoming.

As we cast light on the academic year 2024–25, I am filled with pride at the incredible growth and accomplishments of our students. This year has been a testament to creativity, perseverance, and unwavering dedication. From excellence in academics and sports to outstanding performances in extracurricular arenas, our students and faculty have demonstrated a commitment to excellence.

At Learning Alliance, our mission is to nurture independent, self-motivated learners who recognize that education extends beyond academic success. We believe in developing responsible, informed 21st-century citizens who respect themselves and others. Our commitment lies in fostering a culture of high expectations, outstanding achievement, and holistic personal growth.

An essential part of this journey is developing self-awareness, responsibility, and empathy. We encourage our students to be proactive in their choices, to understand the impact of their actions, and to make decisions that contribute positively to society. Whether it is advocating for sustainability, embracing inclusivity, or supporting mental well-being, we want them to lead with integrity and purpose.

Above all, we emphasize a simple but powerful truth: kindness is free. Being kind and respectful defines true leadership. In a world that continues to change, it is not just knowledge but compassion, values, and resilience that will be your greatest strengths.

To our students preparing for CAIE examinations, I encourage you to believe in your abilities. Success is not just about results but about learning, growing, and striving for excellence. Stay focused, be resilient, and trust the journey ahead as I await an excellent result in August 2025.

Wishing you all continued success, fulfilment, and endless opportunities in the years to come.

Ambareen Ali

SENIOR VICE PRINCIPAL'S MESSAGE

A Level Programme

Dear Students,

As A Level students, you are uniquely positioned to lead by example. Your education equips you with the knowledge and critical thinking skills to understand the complexities of environmental and social issues and to innovate solutions.

Beyond academics, it is your passion, determination, and sense of responsibility that will drive real change. You have the power and the responsibility to inspire others, to challenge the status quo, and to champion a future where our country prospers exponentially.

Integrity is the cornerstone of this responsibility. It calls us to be honest about the impact of our actions, to hold ourselves accountable, and to make choices that align with the greater good. It means refusing to turn a blind eye to the consequences of overconsumption, waste, and indifference.

It is easy to feel overwhelmed. How can one person make a difference? This is where the power of one comes into play. History has shown us time and again that individual actions, no matter how small, can ripple out to create transformative change.

Be that change, make us proud.

Ayesha Mohsin

Senior Vice Principal

A Level Programme

SENIOR VICE PRINCIPAL'S MESSAGE

Dear Students, Parents, and Colleagues,

As we close the door on another incredible academic year, I find myself filled with gratitude and pride for all that we've accomplished together. This year has been a beautiful journey of growth, perseverance, and creativity, one where our students have shone not just in the classroom but in every corner of our school life.

From exhilarating sports tournaments to captivating drama performances, from spirited debate competitions to heartfelt community service, our students have shown us what it means to strive, to collaborate, and to lead with purpose. They've set new standards, broken barriers, and—most importantly—supported one another along the way.

One of the highlights that touched me was witnessing our students pour their energy into this year's charity drives. They didn't just raise funds; they raised awareness, sparked conversations, and reminded us that even the smallest acts of kindness can create ripples of change. Their passion for making a difference has been nothing short of inspiring.

And then there was Harvard MUN Dubai; an experience that truly showcased the brilliance of our students. Standing on an international stage, our team didn't just compete; they excelled, bringing home the prestigious Harvard MUN Best Delegate award. Their hard work, diplomacy, and teamwork didn't just make Learning Alliance proud, they made our entire nation proud!

But beyond the trophies and accolades, what stands out to me is the kind of people our students are becoming. Success isn't just about achievements; it's about the values we carry forward; empathy, kindness, and a deep belief in lifting others up. Every day, I see you supporting one another, standing up for what's right, and leading with compassion. That, more than anything, is what fills me with hope for the future.

To our students: You are already making a difference, not just as the leaders of tomorrow, but as the changemakers of today. Thank you for making this year so special.

Here's to more learning, more growth, and more kindness in the year ahead!

HEAD, STUDENT WELLBEING DEPARTMENT

Be the Author of Your Own Story!

Dear Students,

One of the most powerful lessons you can learn is this: never allow anyone or anything to define who you are! You are the author of your own story. Stand tall in your truth and take pride in your authenticity. The world needs people who are brave enough to be themselves.

Just as every flower in a garden, every animal in the wild, and every tree in the forest carries its own distinct DNA and makeup, so do you. Your thoughts, your dreams, your strengths, and even your struggles all form the beautiful mosaic that is you. Embrace every part of yourself—your strengths are your power, and your weaknesses are opportunities for growth and understanding.

Be kind and patient with yourself. Growth takes time, and setbacks are not failures but stepping stones! Build on what you do well with confidence, and approach your areas of struggle with compassion. The journey toward self-improvement is never a straight line, but it is always worth it.

Above all, keep kindness at the center of everything you do. It is a strength, not a weakness. Kindness nurtures connection, fosters empathy, and creates a safe space for everyone, including yourself, to grow.

And remember this crucial truth: judgment hinders growth-yours and everyone else's. When we judge others or ourselves, we close the door to progress. Stay as far away from judgment as possible. Focus on your own journey. Everyone is walking a path you may not see or understand. Support others with encouragement, not criticism, and extend that same grace to yourself.

Stay true to your values. With perseverance, self-love, and kindness, you can achieve. Your journey is your own- create it, cherish it.

With love, encouragement, and unwavering belief in you,

Afshan Mirza

Wellbeing Sessions On Diet And Nutrition

Students explored the impact of diet and nutrition during a wellbeing session on healthy living, highlighting how balanced eating supports both physical and mental health.

Exam Anxiety Sessions With Students

Short 20-minute sessions taught students simple strategies to manage exam anxiety, including revision scheduling and deep breathing to promote calm and focus.

Teachers' Workshop On Bullying

Teachers engaged in a powerful workshop by Ms Afshan on combating bullying and boosting self-esteem. The session focused on kindness, empathy, and creating a judgment-free classroom.

Hussain Mirza's Talk

Mr. Hussain Mirza, PCB trainer and fitness coach, spoke to students about holistic wellbeing. His session highlighted the important connection between mental and physical health

Dr. Syrrina Ahsan Ali Haque's Talk

Senior students attended an inspiring talk by Dr. Syrrina Ahsan Ali Haque, author and lecturer, on tolerance and diversity. Part of the three-month anti-bullying campaign, the session encouraged open-mindedness and respect.

Yoga Sessions for Students

Ms. Mehreen Jilani led breathing yoga sessions with middle school students as part of SWD's three-month anti-bullying campaign to support emotional regulation.

HEAD BOY'S MESSAGE

Leadership begins with a spark an idea, a purpose, and the willingness to act. Being appointed Head Boy of Learning Alliance was not just a personal milestone but an opportunity to champion the value of student initiative and collective growth.

Throughout this past year, my focus has been on empowering students to step forward with their ideas and take ownership of their experiences. Whether through initiating student-led projects, creating opportunities for collaboration, or encouraging open dialogue across year groups, I have tried to foster a culture where every voice matters. I believe that real leadership lies in enabling others to lead.

One of the most transformative experiences of my journey was directing the annual school play. It was a bold undertaking, filled with challenges and late-night planning, but it was also a celebration of teamwork, resilience, and creativity. Watching students bring characters to life, support one another, and embrace the process with passion reaffirmed my belief in what we can achieve when we lead together.

I owe much of this journey to the unflagging support of our dedicated faculty Mrs Iqbal, Miss Bubby, Miss Ayesha Sajid, Sir Sohail, and Miss Ayesha Mohsin whose guidance and trust gave me the confidence to pursue every endeavour. Their mentorship has been instrumental in turning student vision into reality.

I am equally grateful to my co-head, whose support and partnership made each challenge lighter and each success more meaningful. Together, we have learned the importance of collaboration, empathy, and shared purpose.

As I prepare to leave this chapter behind, I carry with me immense gratitude for the friendships, the lessons, the memories, and the moments of growth that defined my time at LA. This school has never been just a place of learning, it has been a community where ideas are nurtured, where leadership takes root, and where dreams are given the space to soar.

Hadi Tariq

Head Boy
2024-2025

HEAD GIRL'S MESSAGE

Learning Alliance has been more than a place of learning, it's been a community that shaped who I've become, both inside and outside the classroom. Over the course of 13 years, I've learned that leadership isn't always about being the loudest or most visible person in the room. It's about letting your work and commitment speak for themselves, showing up with purpose, and knowing when to lead from the front and when to step back and lift others up.

While I carried these lessons into my role as Head Girl, I was also pushed to grow, to communicate clearly and become a role model others could rely on. It helped me develop an important skill set: public speaking, collaboration, and the ability to connect meaningfully with people on different levels.

Working alongside Hadi (always reliable and hard-working), we led a council I'm genuinely proud of. Every member contributed with sincerity and focus, and the heart they brought to their roles showed in every event, campaign, and meeting. Special mention goes to the Media and Publications Society, their creativity brought life to events like Sportacus and led to a major achievement with LA Pulse, the school's first official newspaper.

This journey would not have been possible without the guidance of my teachers. Sir Shahid's caring yet composed nature made math class the best part of our day. Sir Sheraz's unique takes stayed with us long after class ended. Ms. Rabiya brought a passion to history that made the subject genuinely lovable. And Sir Ahmed's wisdom and hands-on support for each student stood out throughout the year.

The support of the school's administration meant more than I can express. Ms. Bubby, Ms. Iqbal, Ms. Ayesha Sajid, Sir Suhail, Ms. Ayesha Mohsin, and the rest of the admin team were always just a conversation away, calm, kind, and genuinely invested. Whether it was council duties, academics, or balancing school with swimming, their steady presence made it easier to stay grounded.

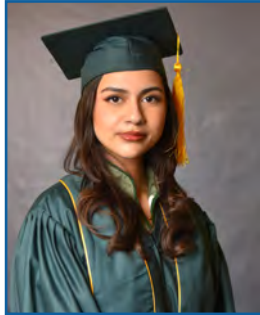

Being Head Girl wasn't about doing a hundred things at once, it was about staying organized, sharing the workload, and focusing on what actually mattered, alongside people who cared just as much.

To the next council: lead with intention, rely on each other, and stay focused on what truly matters. You're not just responsible for organizing events, you're carrying forward the legacy of our school. The most meaningful impact comes from doing the work well, and doing it together.

With gratitude,

Zayna Ahsan

PRINCIPAL'S MESSAGE

Dear Parents and Students,

It is with great pleasure and a deep sense of pride that I present this message for our school magazine, 'Milestone.' Each year, this serves not only as a chronicle of our journey, but also a reflection of our collective accomplishments, aspirations and cherished memories.

Our aim at Learning Alliance Junior School is to provide a broad-based platform that gives all an equal opportunity to grow, explore and discover. We strive to nurture inquisitive learners, critical thinkers, problem solvers, debaters, sportspersons, actors and writers who aim for excellence. It is truly delightful to watch students equipped with grit and determination to excel in all areas and become well-rounded individuals. As John Dewey said, "Education is not preparation for life, education is life itself."

We believe that true education extends beyond the classroom, encompassing development of empathy, emotional intelligence, and social responsibility. It is earnestly hoped that our students will continue to demonstrate kindness, tolerance, and maturity in their interactions, and contribute to creating a safe and inclusive environment for all.

This medium serves as the perfect platform for me to express my gratitude to my remarkable faculty members for holding the fort through their hard work and dedication, teaching students with unwavering focus and commitment.

Furthermore, I take this opportunity to thank parents for constant support and encouragement, as it completes the essential Learning Triangle: the student, the teacher, and the parent, ensuring uninterrupted communication, coordination, understanding, and trust amongst all.

Before I conclude, I would want my students to listen to their inner voice, develop a strong character, and build a growth mindset rather than a fixed one, as this will undoubtedly bring about a positive change. As we look ahead to the coming year, we are excited to continue fostering a culture of excellence, innovation, and personal growth.

It is now time to sit back and enjoy the much anticipated summer break.

Bonne Vacances!

Saimaa Tariq Sheikh

Principal

Junior School DHA

VICE PRINCIPAL'S MESSAGE

Dear Parents and Students,

As we come to the close of another academic year, I wanted to take a moment to express my heartfelt congratulations to each and everyone of you. It has been an absolute pleasure to witness our students grow and thrive, balancing academic excellence with a wide range of co-curricular activities.

I am constantly amazed by the progress our students made over the course of a year. It is truly heartening to see individuals evolve, develop new skills, and form lasting bonds with their peers.

As we move forward to the summer break, I would like to leave our students with a few important reminders. Remember to always treat others with kindness, empathy and compassion. Look forward opportunities to lend a helping hand and work collaboratively with your fellow students to achieve common goals.

Most importantly, never give up on your dreams and aspirations. Remember that setbacks and failures are an inevitable part of learning process, but it is how we respond to these challenges that truly matters. Keep trying, keep persevering and always strive to give your best.

As you enjoy your well deserved break, I encourage you to pick up a book and get absorbed in a wonderful story. Reading is an excellent way to explore new world, learn new things and exercise your imagination. I also recommend limiting screen time as much as possible, and engaging in various activities, sports and creative pursuits.

Wishing you all a relaxing and rejuvenating summer break. We look forward to welcoming you back in the new academic year.

Regards,

Amna Usman
