ACADEMIC & CO-CURRICULAR SCHOLARSHIPS 2024-25

LEARNING ALLIANCE

AZIZ AVENUE CAMPUS

Learning Alliance Aziz Avenue offers generous academic scholarships to our students of Class VII – OIII, and co-curricular scholarships to our students of Class VI – OIII. The analysis of student performance is carried out on the basis of their academic/co-curricular achievements.

In the case of students receiving multiple scholarship offers/fee discounts, they must pick the one offering the higher waiver. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time. Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Any scholarship, whether academic or co-curricular, is non-transferrable, and will not be valid in case of inter-campus transfers. Students who are awarded scholarships must be vigilant regarding their attendance and discipline in order to maintain the scholarship.

ACADEMIC SCHOLARSHIPS - CAIE

Abdul Salam Mehta Scholarship

The Abdul Salam Mehta (ASM) Scholarship is awarded to the best students in OIII (one award is for Science Students and the other for Humanities students) **should they choose to transfer to DHA for their A levels.** O Level Academic Results of three years are accumulated, and the 100% Tuition Fee and other charges waiver is offered for two years of A Level Programme.

Students who are awarded the **Abdul Salam Mehta (ASM) Scholarship** must maintain good attendance and discipline as well as a 'B' grade, in three subjects and at least a pass in the fourth subject in the internal A-I Final Examinations/CAIE AS Examinations. In the event that the scholarship is withdrawn from the student it will not be awarded to another student.

Merit Scholarships – Class VII

One academic scholarship of 25% is awarded on the tuition fee to the **top performing student** in each year group in Class VII. Merit Scholarships – Class VIII

One academic scholarship of 25% is awarded on the tuition fee to the **top performing student** in each year group in Class VIII. The scholarship is based on the student's cumulative performance, based on their

monthly tests, Mid-Year and Final Examinations in the previous year (i.e. in class VII), and is valid for one academic year.

Merit Scholarships – O Level

Merit Scholarships for OI

For students of OI, Learning Alliance is awarding a 25% merit scholarship on tuition fee based on the student's cumulative performance in the previous year, if they meet the following criteria:

Merit Scholarships A LEVEL – For Students Transferring to DHA

Students receiving an academic scholarship in A levels are ineligible for the Child Fee Discount.

Students will not be awarded scholarships if, for any reason, they sit for internal Examinations in A1 and choose not to appear for the AS CAIE's.

The School Board shall evaluate all scholarship applications and allot them to deserving students. The School Board reviews attendance, discipline and academic history when allotting these scholarships.

CO-CURRICULAR SCHOLARSHIPS

In order to motivate students to not only maintain a healthy balance between academics and co-curricular activities, but also to strive towards improving their skills and expertise, Learning Alliance may offer a co-curricular scholarship for students of Class VI-A2.

Students of Class I-V may be eligible for a 25% co-curricular scholarship on the tuition fee if they have displayed exceptional performance in a co-curricular activity and represented the school as a **Pakistan blazer holder** on a renowned and prestigious national/international forum.

In the case of students receiving both academic and co-curricular scholarship offers, the one with the higher waiver will be applicable. Additionally, students already receiving any kind of other fee discounts are not eligible for the academic and co-curricular scholarships. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time. Scholarships are non-transferrable, and will not be valid in case of inter-campus transfers.

Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Students who have received a written disciplinary warning in the previous academic year are not eligible to apply. They are also required to maintain minimum passing marks in their academics to continue their scholarship throughout the year.
