

ACADEMIC & CO-CURRICULAR SCHOLARSHIPS 2022-23

LEARNING ALLIANCE

AZIZ AVENUE CAMPUS

Learning Alliance Aziz Avenue offers generous academic scholarships to our students of Class VII – OIII, and co-curricular scholarships to our students of Class VI – OIII. The analysis of student performance is carried out on the basis of their academic/co-curricular achievements.

In the case of students receiving multiple scholarship offers/fee discounts, they must pick the one offering the higher waiver. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time. Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Any scholarship, whether academic or co-curricular, is non-transferrable. Students who are awarded scholarships must be vigilant regarding their attendance and discipline in order to maintain the scholarship.

CO-CURRICULAR SCHOLARSHIPS

In order to motivate students to not only maintain a healthy balance between academics and co-curricular activities, but also to strive towards improving their skills and expertise, Learning Alliance has a co-curricular scholarship for students of Class VI-A2 in **CAIE**.

In the case of students receiving both academic and co-curricular scholarship offers, the one with the higher waiver will be applicable. Additionally, students already receiving any kind of other fee discounts are not eligible for the academic and co-curricular scholarships. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time.

Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Students who have received a written disciplinary warning in the previous academic year are not eligible to apply. They are also required to maintain minimum passing marks in their academics to continue their scholarship throughout the year.
