

ACADEMIC & CO-CURRICULAR SCHOLARSHIPS 2022-23

LEARNING ALLIANCE

FAISALABAD CAMPUS

Learning Alliance and Learning Alliance International DHA offer generous academic scholarships to our students of Class VII – A2, and co-curricular scholarships to our students of Class VI – A2. The analysis of student performance is carried out on the basis of their academic/co-curricular achievements.

In the case of students receiving multiple scholarship offers/fee discounts, the one with the higher waiver will be applicable. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time. Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Any scholarship, whether academic or co-curricular, is non-transferrable. Students who are awarded scholarships must be vigilant regarding their attendance and discipline in order to maintain the scholarship.

ACADEMIC SCHOLARSHIPS

Abdul Salam Mehta Scholarship

The Abdul Salam Mehta (ASM) Scholarship is awarded to the best students in OIII in two categories; one from the Science stream and the other from the Humanities stream. The O Level Academic Results of three years are accumulated and the 100% Tuition Fee waiver is offered for a complete two years of the A Level Programme.

Merit Scholarships – Class VII – OIII

Two academic scholarships of 25% from each class are awarded to the Proclamation gold medal holders of Science and Humanities stream in OII and OIII. The scholarship is based on the student's cumulative performance in the previous year, and is valid for one academic year.

Merit Scholarships – A LEVEL

Learning Alliance A Level Programme offers academic scholarships to motivate students who have evidence of academic achievement in the CAIE O Level Examination. A-I scholarships are reviewed at the end of the academic year and may be continued in A-II based on the CAIE AS Level result.

Students receiving an academic scholarship in A levels are ineligible for the Child Fee Discount.

The scholarship awarded in A-II is based on student performance in the best of three subjects. However, students must maintain at least a 'D' or above in their fourth subject. Students are issued the full August – September fee bill, this is reviewed in the October-December fee bill. Once the award has been allotted the amount paid for August-September is adjusted.

Students will not be awarded scholarships if, for any reason, they sit for internal Examinations in A1 and choose not to appear for the AS Cambridge Assessments International Education examinations. Other than Urdu, students must attempt all CAIE AS examinations in A1 and only the externally awarded AS grades will contribute to the merit scholarship.

When one subject grade does not fall into the scholarship criterion listed above, the scholarship awarded will be adjusted accordingly to a level lower than the category listed.

Students who are awarded the **Abdul Salam Mehta (ASM) Scholarship** must maintain good attendance and discipline as well as a 'B' grade, in three subjects and at least a pass in the fourth subject in the internal A-I Final Examinations/CAIE AS Examinations. In the event that the scholarship is withdrawn from the student it will not be awarded to another student.

The School Board shall evaluate all scholarship applications and allot them to deserving students. The School Board reviews attendance, discipline and academic history when allotting these scholarships.

CO-CURRICULAR SCHOLARSHIPS

In order to motivate students to not only maintain a healthy balance between academics and co-curricular activities, but also to strive towards improving their skills and expertise, Learning Alliance and Learning Alliance International have a co-curricular scholarship for students of Class VI-A2.

In the case of students receiving both academic and co-curricular scholarship offers, the one with the higher waiver will be applicable. Additionally, students already receiving any kind of other fee discounts are not eligible for the academic and co-curricular scholarships. Furthermore, unforeseen circumstances that result in a School-wide fee reduction will make the scholarship null for that period of time.

Students may be issued the full August – September fee bill, and once the scholarship is awarded, allotted amount is adjusted in the October-December fee bill.

Students who have received a written disciplinary warning in the previous academic year are not eligible to apply. They are also required to maintain minimum passing marks in their academics to continue their scholarship throughout the year.
